SECTION INFORMATION

The PGA Board of Directors has determined that the allocation of the number of players advancing from each Section PGA Professional Championship to the PGA Professional Championship will be based on the average number of players over the last five (5) years (using actual number of eligible players starting their Championship).

All applicants must compete in the Section in which they are affiliated on their Section’s entry deadline date unless they have transferred to a new Section.

Applicants who have transferred into a new Section after their Section’s entry deadline have the option of competing in their original Section or in their new Section, but not in **both**. In order to compete in their new Section, they must inform their new Section of their intention at least seven (7) days prior to that Section’s event.

A “no refund” policy is in effect. Please notify your Section directly if you need to withdraw after their deadline. After the entry deadline, no money will be refunded from PGA Headquarters and anyone requesting a refund after that time will be referred back to their respective Section. A \$25 administration fee will be withheld for any withdrawal **prior** to the entry deadline. Any amount collected above \$60 can be refunded by the Section at their discretion.
